Centre for Research and Development

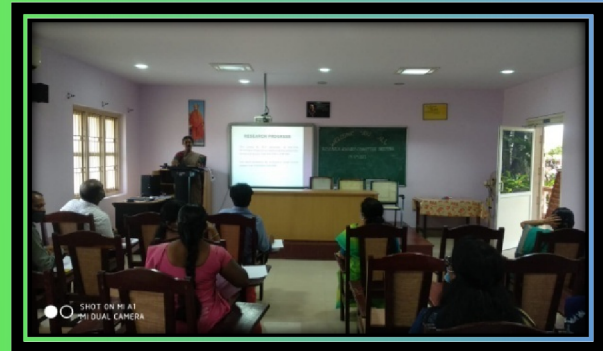

α News Letter (2021 – 2022)

Dear all, Greetings!

With extreme delight the centre for Research and Development, N.V.K.S.D. College of Education is presenting the activities of the Research centre during the academic year 2021-2022. Research is to foresee the future problems through pursuit of truth and to contribute to the development of scientific Knowledge. The goal of our research centre is to meet the challenges of the 21st century and to promote high quality research adhering to strict ethical codes. The activities of the research centre are focused at enhancing quality research, creating new knowledge and developing research culture. The centre for research and development made its consistent effort to maintain the quality of research amidst the covid pandemic. At this juncture we extend our gratitude to all the stakeholders for their valuable support and cooperation.
